I am writing to express my opposition to SB 7150. This bill asks towns to pay for costs that they have no opportunity to negotiate. While school districts negotiate their teachers' salaries, they do not negotiate the terms of those teachers' pensions. Pension negotiations are done entirely at the state level. It is completely inappropriate to ask towns to pay for expenses in which they have had no voice. I urge you to vote no on SB 7150.

Sincerely,

Gabriela Beecher
